The Muse

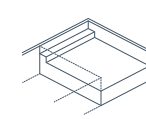

with Raised Spa

The Muse boasts an extraordinary array of stunning features that are further heightened through the addition of a raised spa. Treat your tired and tense muscles to the ultimate in rejuvenation while you immerse yourself in the luxury of the spa water, accompanying spa jets and optional heating.

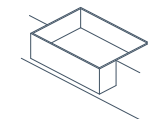

Further elevate this therapeutic environment by uplifting your mind and body, while you embrace the invigorating experience as you transition from the warmer water to the cooler water. The spa adjoining your swimming pool provides a relaxing space for you to unwind and decompress while the kids play in their own area.
