The Unity

The Unity takes the feeling of family and community to the next level, bringing people together with comfort and familiarity at its core. The spacious swim corridor spans from one end to the other, providing the opportunity for fitness to improve your overall well-being. As the swim corridor opens into a wider space, it invites you to enjoy a variety of fun and games together, with plenty of options for lounging.

The sloping pool floor extends that offering into a more comfortable space for swimming and fun. Maximising every inch of the pool, The Unity lives up to its calling: to be enjoyed as a place of gathering. The Unity effortlessly brings people together to a time called forever.
